We have now established a timetable of events across Lincolnshire. There are four different types of event.

**Total Voice Focus Group with people receiving services**
This is time dedicated to people who use services. The aim is to help people to understand and complete the questionnaire form. The groups will be inclusive and offer information and support. They will focus on how people can shape future services and what is important to them.

People receiving services do not need to book a place for these events. They will be held at centres where people receive services and people can choose whether or not they wish to be involved in the group.

**Total Voice Focus Group with parents/carers**
The sessions are designed to give parents and carers the opportunity to get support during the consultation. Total Voice will be working with parents and carers to look at new ways services could be provided and ways to ensure people have choice and control over their services and their lives. A representative from Lincolnshire County Council will be present at many of the groups to answer any queries.

Places may be limited so we ask that parents and carers book directly with Total Voice. You can do this by ringing Total Voice on 01522 706580. Parking may be limited at the venue.

**Public Consultation Events**
These events are hosted by Lincolnshire County Council. The Council will explain the reason for the proposals and the impact they could have in the future if implemented. The Council will also talk about some of the options people might want to consider for the future as well as ask people for ideas about what the Council could do with the buildings that services are run from. People will be able to ask questions, raise any issues they may have and give their views on the proposals.

Places will be limited and we ask that people use the booking form to secure their place at these events. Parking may also be limited on the day.

**Marketplace Events**
At these events, providers will give people the chance to see the types of services they can offer to people. People interested in finding out what alternative services there are in their area, and Lincolnshire in general, can talk to providers about their services. People can also tell providers what they want to see in the future. The marketplace events will be of interest to anyone who may be affected by the proposals – people receiving services, parents and carers, staff etc.

The marketplace events are run on a drop-in basis. You can spend as little or as long at the event as you wish. You can arrive or leave at any time during the event. A Lincolnshire County Council representative will be on hand if you have any queries regarding the consultation and the impact of the proposals. Please be aware that parking at the venue may also be limited on the day.
